I just started to work with a local company which is making custom projects for their customers. I'm using Laravel and Vue Js for projects....

EDUCATION

- Master in Computer Engineering (2020-2022)**
Maltepe University - Istanbul
I worked as many years with development but as you see I worked in ministry of the justice so I was a dream with law. I didn't make a bachelor's in computer engineering. But I don't want to lose time anymore. So I just started to master. I'm a smart guy and 2 years very enough for me.
- Associate in Law (2016-2018)**
Adigüzel MYO - Istanbul
I graduated with law education for my old dreams. As I lost faith in the law, I decided to continue as a developer. (100% scholarship - 3,37/4)
- Bachelor in Sosyology (2013-2017)**
Istanbul University - Istanbul
I graduated with sociology but the university fully remote education. So I continued to work as a developer. (100% scholarship - 2,74/4)
